

# Elected Officers

A Guide for Elected Officers Bearers for Provincial Archery Associations  
PUBLISHED BY THE SOUTH AFRICAN NATIONAL ARCHERY ASSOCIATION

## essentials

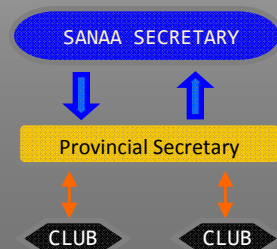

- Voting procedures
- Sanctioned tournaments
- Office bearers and changes

## PROVINCIAL SECRETARIES

The role of the Provincial Secretary is twofold. Secretaries have to liaise with their clubs with regard to SANAA matters and to coordinate their efforts with the SANAA Secretary. It is a process of two way communication where the provincial secretary plays an important role.

## HOW IT WORKS

The SANAA Executive Secretary communicates with the Provincial Secretary. In turn the Provincial Secretary communicates with the clubs. In the case of a vote, the Provincial Secretary gathers the vote from the clubs and presents the SANAA Secretary with the outcome. Provincial matters are governed by their Constitution.

Volunteers dedicate hours of time and energy, working in a variety of ways. Without them, most sports clubs and associations would cease to exist.

Volunteers are extremely valuable, and deserve considerable praise and thanks. But they have an important role to play and carry much responsibility.

This is especially true for Provincial Secretaries because the South African National Archery Association (SANAA) is composed of members of the provinces and carries out the mandate of the provincial associations.

Without the ongoing input from the provincial secretaries and their liaison with the clubs and their members, it dilutes the efforts of the sport of archery as a whole.

This guide aims to provide a framework for the provincial secretaries and to guide them as to their responsibilities and roles to SANAA.

## What first-time Secretaries need to know.

There are a few trigger dates that every secretary should diarize to ensure they fulfill their responsibilities.

One of the first things a provincial secretary should do is get a diary! That's because it is the responsibility of the secretary to provide the SANAA Secretary with certain information at specific times. A provincial secretary who fails to perform their functions at that time can compromise the province, their clubs and members and may be guilty of diminishing the sport.

**January.** By the end of the month, the secretary should have provided the SANAA Secretary with a list of motions that must appear on the Congress agenda. The annual SANAA Congress is where representatives of the provincial associations and chairs of committees get together and decide on any changes to the Constitution and Rules (C&R). Congress is the legislative body that gives the SANAA executive the authority to carry out its mandate. A motion is normally any change or new regulation (including a motivation and the reasons) which is put to Congress to vote on a change. Each province has one vote, and the majority vote will see a motion accepted.

It is also the responsibility of the provincial secretary to ensure that the FITA Star and SANAA sanctioned tournament fees are paid to the SANAA Treasurer. Provinces who fail to settle the amounts due will automatically have their competition status withdrawn and removed from the calendar. Bear in mind that the dates of these tournaments are entrenched in the C&R and cannot be changed without the vote of Congress. So, failing to pay the amounts due results in the province falling foul of the C&R.

**February.** At this time, a list of clubs affiliated to the province as well as all the contact names, addresses, email addresses and

telephone numbers must be submitted to the SANAA Secretary.

It is also the responsibility of the provincial secretary to ensure that all the provincial affiliation fees are paid to the SANAA Treasurer. Failure to pay the fees can result in the province no longer being recognised by the national association and lose all its rights and benefits, including provincial colours.

It is also the deadline for club affiliation fees and it is the responsibility of the provincial secretary to ensure that the affiliation fees are paid to SANAA for each club member in the province. It is important for SANAA to know the number of members in each club and it also aids with the reconciliation of fees.

Around this time, you should have at least started the selection process for the provincial teams to participate in the National Championships. Tag that you have about one month to submit the names to SANAA.

The last task of the month is to circulate the Congress motions that the SANAA Secretary would have sent are circulated to all the clubs in preparation for the March meeting.

**March.** By the second week of March you should have called a provincial meeting to discuss the proposals and Motions to Congress that the SANAA Secretary would have sent you from the other provinces. You then need to instruct the Congress delegate how to vote on these changes.

Shortly thereafter, the name of the provincial delegate whom you have elected to represent the province at the annual Congress must be sent to the SANAA Secretary.

### Ongoing Responsibilities

There are a number of ongoing responsibilities of the provincial secretary. They are all designed to ensure the smooth running of the provinces and aimed at growing the sport. These include;

Keep all the records of the province and its committees

Conduct correspondence between the clubs, members, the provinces and the SA National Archery Association. As a rule, SANAA only deals with the provincial secretary and relies on the provincial secretary to disseminate the information to its members.

Serve notices of committee meetings, annual general meetings and special meetings that are called.

Take a vote when instructed to do so by the province

Inform clubs of the decisions taken by the province and the SANAA Executive

Keep the SANAA secretary informed of any new clubs that may affiliate to the province or who may have lost their standing.

Ensure that the necessary medals and trophies are available for provincial events

Ensure that the results of competitions and news of the competition are submitted to The Editor of the SA Archer

Familiarise yourself with the provincial constitution and carry out the role as defined for the secretary.

## ...what first-time Secretaries need to know.

This is also the month that you need to ensure that the clubs under your control get the membership lists from SANAA so that you can follow up on members who have not yet renewed their membership.

**April.** Distribute the minutes of the Congress and give feedback to the clubs on the Congress meeting and voting on those motions.

**September.** This is the month that you need to ensure that the clubs under your control get the membership lists from SANAA so that you can start to follow up on membership renewals.

**November.** You need to liaise with SANAA to confirm the dates of the FITA and SANAA sanctioned tournaments that are to be hosted by the province.

## The Role of Clubs

Clubs have an important role to play in ensuring a smooth association and make representation to SANAA via the provincial associations.

That's why SANAA relies on provincial secretaries to disseminate the information between themselves and their clubs and members. To this end, SANAA has made available sections on its website for clubs. Provincial secretaries are invited to submit articles for inclusion on the website.

There are some time sensitive responsibilities for clubs. These include;

January. To submit motions for discussion at the SANAA Congress to the provinces.

February. To ensure that the provincial and SANAA affiliation fees are paid to the provincial associations for each club member and that provincial affiliation fees are paid to the club.

March. To ensure that the club teams are selected for the national championships and that the names are submitted to SANAA via the provincial secretaries

April. Give feedback to the members on motions made at Congress.

Most of the responsibilities of the club secretaries are on an ongoing basis and is the

liaison between the club secretary and provincial secretary. These include:

Keeps all records of the club and its committee

Conducts correspondence between club members, the club committee and the province

Serves notice of committee meetings, AGM's and Special meetings as called for from time to time

Takes a vote when instructed to do so by the Club Committee

## NATIONAL CHAMPIONSHIPS Bidding & Hosting

The procedure for bidding and hosting the National Championships is prescribed in the SANAA Constitution.

Bids are made by the provincial associations at the annual Congress and the winning province is decided by simple vote of the provincial associations.

The winning province has the right to host the national championships for two years.

It is the responsibility of the winning province to raise the funding to host the championships and to formulate the organising committee.

National championships are in accordance with FITA standards.

The responsibility lies with SANAA to organise the championships, which includes registration with FITA, the invitation, promotion and participation registration.

SANAA relies on the hosting province to prepare all that is necessary to ensure a suitable venue and event.

## The SANAA Constitution

Your Guide to all the rules, regulations and responsibilities.

It's the SANAA Constitution and Rules (C&R), a document composed by the Provincial Associations that dictate how SANAA operates and the roles of the Provincial Secretary.

It includes the procedure and process of nominations for national records, appointment of officers, nominations of national coaches, judges and chairs of committees.

All provincial secretaries should familiarize themselves with this document which details the role of the provinces and the expectations of the province by SANAA.

The C&R is made available to all members on registration and is also available from the web site at [www.sanaaa.org.za](http://www.sanaaa.org.za)

## ... the role of clubs

Informs club members of decisions taken by the club committee, the province and SANAA Exec

Takes minutes and distributes copies of minutes of committee meetings to council members

Submits motions for discussion at SANAA Congress to the province

Ensures that club meeting is held to discuss motions from other provinces in order to instruct provincial delegates on how to vote at the SANAA Congress

Follows up on members who have not renewed membership to the club

Ensures that club championships are held

Ensures that the necessary medals and trophies are available for club events

Ensures that notices are clearly displayed on the notice board

Ensures that the province is kept up dated on any changes to the club constitution

Informs the province of updated details of the club and its committee members and the respective contact details

Ensures that results of competitions and an article on the event are forwarded to the bulletin editor for publication

Need to ensure that their members know the procedures and etiquette at tournaments

Ensure that their archers know how to score at tournaments - i.e. the importance of making sure that the arrows shot are correctly recorded and rules applied.

## THANK YOU

### Volunteers Matter

Administrators, officials, judges and coaches all fulfill an important role in the sport of archery.

They may come from different backgrounds and many act in a voluntary capacity themselves.

The key to success is the way in which they manage the responsibilities they undertake and their understanding of these responsibilities.

This guide attempts to give guidelines as to those responsibilities that volunteers undertake.

Experience has shown that if all elected officials fulfill their role, the management of the Association is run in accordance with the goals of the provincial associations and the burden of work distributed evenly.

Thank you for volunteering your services and making archery better.
