PREAMBLE

This preamble shall never be amended or destroyed in the history of this Association.

Within the framework of this Association shall be preserved forever the theory and belief that all humans are born equal irrespective of race, creed, colour or nationality and that it is the full intent of our God for all mankind to reside together in peace and unison with complete freedom and dignity for man.

It is the intent of this body to preserve and advance these principles by joining together the nations and continents of the world through the preservation by usage of mankind's most ancient weapon, the bow and arrows, in games designed to challenge individual skills while creating a better understanding.

Further, this body recognises the sovereignty of each nation to administer such programmes as it deems necessary and desirable for the benefit of archery within the nation and the world.
