SANAA STRONGLY CONTRIBUTES TO THE PROTECTION OF EVERYONE INVOLVED IN ARCHERY BOTH IN SOUTH AFRICA AND GLOBALLY. SANAA BELIEVES THAT ALL ATHLETES, COACHES, OFFICIALS, STAFF AND VOLUNTEERS WHO WISH TO PARTICIPATE IN THE SPORT OF ARCHERY, HAVE A RIGHT TO PARTICIPATE IN A SAFE AND INCLUSIVE ENVIRONMENT, FREE FROM ALL FORMS OF HARM, DISCRIMINATION, ABUSE, VIOLENCE AND NEGLECT.

Bullying can include actions such as making threats, spreading rumours or falsehoods, attacking someone physically or verbally and deliberately excluding someone;
- 1.6. **“Child”** and **“Adolescent”** shall mean every person below the age of 18 years unless, under the law applicable to the child, majority is attained earlier. Early childhood relates to those below 8 years of age. Juvenile or young person and adolescents are 10-18 years of age;
- 1.7. **“Harassment”** refers to the description of the various forms of harassment and abuse as set out in the IOC Consensus Statement 2016. Harassment can be expressed, but not limited to, five forms which may occur in combination or in isolation. These include psychological harassment, physical abuse, sexual harassment, sexual abuse, neglect and bullying. Harassment and abuse can be based on any grounds including race, religion, colour, creed, ethnic origin, physical attributes, gender, sexual orientation, age disability, socio-economic status and athletic ability. It can include a one-off incident or a series of incidents. It may be in-person or online. Harassment and abuse often result from an abuse of authority, meaning the improper use of a position of influence, power or authority by an individual against another

person. The Protection from Harassment Act 17 of 2011 defines harassment as directly or indirectly engaging in conduct that the respondent knows or ought to know (a) causes harm or inspires the reasonable belief that harm may be caused to the complainant or a related person by unreasonably (i) following, watching, pursuing or accosting of the complainant or a related person, or loitering outside of or near the building or place where the complainant or a related person resides, works, carries on business, studies or happens to be; (ii) engaging in verbal, electronic or any other communication aimed at the complainant or a related person, by any means, whether or not conversation ensues; or (iii) sending, delivering or causing the delivery of letters, telegrams, packages, facsimiles, electronic mail or other objects to the complainant or a related person or leaving them where they will be found by, given to, or brought to the attention of, the complainant or a related person; or (b) amounts to sexual harassment of the complainant or a related person;

- 1.10. **“Disciplinary Committee of SANAA”** is the relevant body of the SANAA to lead the disciplinary procedure in case of violation of this Safeguarding Policy;
- 1.11. **“Neglect”** means the failure of parents or care givers to meet a child’s physical and emotional needs or failure to protect a Child from exposure to danger. This definition equally applies to coaches and Athlete entourages;
- 1.12. **“Negligence”** means the failure of a coach or another person with a duty of care towards the Athlete to provide a minimum level of care to the Athlete, which is causing harm, allowing harm to be caused, or creating an imminent danger of harm;

This could include forced or mandated inappropriate physical activity (e.g., age-inappropriate or physique-inappropriate training loads; when injured or in pain); forced alcohol consumption; or systematic doping practices;
- 1.17. **“Psychological Abuse”** means a pattern of deliberate, prolonged, repeated non-contract behaviours within a power differentiated relationship. This form of abuse is at the core of all other forms. Some definitions refer to emotional or psychological abuse interchangeably. In this document, we refer to psychological abuse in recognition that the psyche consists of more than emotions. It also consists of cognitions, values and beliefs about oneself, and the world. The behaviours that constitute psychological abuse target a person’s inner life in all its profound scope;

- 1.18. **“Safe Sport”** means an athletic environment that is respectful, equitable and free from all forms of non-accidental violence to athletes;
